

## Welcome to Parents and Guardians!

---

This year, through the Texas SUCCESS initiative, your student has access to web-based English I and II Tutorials through Apex Learning®.

Your student may use these Texas SUCCESS Tutorials as a resource to accelerate their learning to prepare for the English I or II End-of-Course STAAR exam.

### How can you help?

#### 1. Stay involved.

Ask your student to show you what they are learning. Your student's teacher may ask students to study new concepts, deepen understanding through interactive practice, watch a video, take a test or explore a module at their own pace and in their own way.

#### 2. "Where's that password again?"

Your student will receive a unique username and password for Apex Learning. Make sure the sign in information is available when they need it. If they do not know their password, they can self-reset the password through [www.apexvs.com](http://www.apexvs.com) or contact their teacher for assistance.

#### 3. "Yes, you can use the computer. For homework."

Your student needs a device with internet access to use Texas SUCCESS Tutorials. If you don't have this at home, contact your teacher to schedule lab time or visit your local library.

We look forward to helping your student accomplish their academic goals this year. Tutorials will provide even more opportunities for your student to learn and review concepts, develop skills, and test their knowledge. Learn more at [www.apexlearning.com](http://www.apexlearning.com).

## Getting Support

---

To access **online Help** at any time, sign in to Apex Learning and click Help in the main menu.

Apex Learning Support

- Monday – Friday, 7:00 AM – 9:00 PM Central Time
- 1-800-453-1454 option 2
